- Siding –unless asbestos
- Concrete or brick-separate container unless small amount
- Insulation

ABSOLUTELY NO:

Household waste (Municipal Solid Waste)

Fluorescent bulbs / Ballasts

Pesticides, cleaning solvents, oil, etc...

Hazardous waste

Tree stumps, brush, lawn clippings, or leaves

Commercial appliances

Camper refrigerators

Ash or burned material

Paint

Liquids

Asbestos

Railroad ties

Propane tanks

Treated lumber

Closed containers

If household debris is placed in a container that was ordered for construction debris, DDS reserves the right to charge accordingly as there is a significant difference in price and tax structure.

Under MN law solid waste management tax is collected as follows:

Construction loads are taxed at 60 cents a yard (i.e. 10 yd = \$6.00)

Household debris (MSW) is taxed at 9.75% for residents (i.e. 10 yd = \$28.27)

Household debris (MSW) is taxed at 17% for commercial businesses (i.e. 10 yd = \$49.30)

Please call us at 763-295-0707 with questions.

Thank you!
